**DECLARATION OF SEAN T. MOORHEAD --
STATEMENT OF FACTS IN SUPPORT OF FILING
ON BEHALF OF NONSIGNING INVENTORS (37 C.F.R. § 1.47(a))**

Dear Sir:

I, Sean T. Moorhead, an attorney with Calfee, Halter & Griswold LLP, the law firm that filed and is prosecuting the above-identified application, hereby declare as follows:

1. I am over eighteen (18) years of age and am fully competent to make this declaration. This Declaration is based on my personal knowledge and on information made available to me in the performance of my responsibilities as patent counsel for Continental Tire North America, Inc. ("CTNA"). I make this Declaration in support of a response to a Notice of Missing Parts that includes a petition pursuant to 37 C.F.R. § 1.47(a) required because of the refusal of Mr. **Alan Roger Bichler** to execute an inventor's declaration in connection with this case.
2. **Alan Roger Bichler** is a named inventor of the above-identified patent application.

3. Upon information and belief, Mr. Bichler was presented with and has refused to execute Formal Papers for the above-identified patent application, as set forth below in more detail.
4. Upon information and belief, on or about September 8, 2004, Ms. Marian Strosaker (the law office administrator in the Law Department of CTNA) mailed to Mr. Bicher, via regular U.S. mail addressed to Mr. Bichler's last known address, a Declaration and Power of Attorney and an Assignment ("Formal Papers") prepared by Calfee, Halter & Griswold LLP in connection with the above-identified patent application. See the Declaration of Marian Strosaker -- Statement of Facts in Support of Filing on Behalf of Nonsigning Inventors (37 C.F.R. § 1.47(a)), filed herewith.
5. Upon information and belief, Ms. Strosaker addressed the Formal Papers to Mr. Bichler's last known residence address of 3324 Mountainbrook Road, Charlotte, North Carolina 28210. Id.
6. On or about October 12, 2004, I received an e-mail from Ms. Strosaker indicating that Mr. Bichler had not responded to my letter transmitting the Formal Papers to him.
7. In October and November, 2004, I had telephone discussions with, and exchanged voice mail messages with Messrs. James M. Giustino and Robert Yen Liu, other named inventors of the above-identified patent application, in which they indicated to me that Mr. Bichler had indeed told them that Mr. Bichler would not execute the Formal Papers for the above-identified patent application.
8. On or about November 17-18, 2004, I spoke with Mr. Bichler via telephone about the Formal Papers for the above-identified patent application and Mr. Bichler expressly stated to me that he would not execute the Formal Papers for the above-identified patent application.
9. Upon information and belief, CTNA and Mr. Bichler have reached an agreement in principle to resolve the dispute between them; however, upon information and belief, this agreement in principle will not be embodied in a formal, mutually acceptable written agreement until some time in 2005, which is after the imminent

expiration of the statutory period for responding to the present Notice of Missing Parts.

10. **Inventor's Reasons for Refusal:** During the telephone call with Mr. Bichler on or about November 17-18, 2004, Mr. Bichler indicated to me that he was refusing to sign the Formal Papers because CTNA had terminated his employment.
11. **Last Known Address of the Nonsigning Inventor:** Upon information and belief, Mr. Bichler's last known residence address is Alan Roger Bichler, 3324 Mountainbrook Road, Charlotte, North Carolina 28210.
12. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
